"Together we plant the seeds for tomorrow's future"

This week's attendance is:-

Dosbarth 1 - 90.2%

Dosbarth 2 - 99.1%

Dosbarth 3 - 96.4%

Whole school attendance - 95.5%

This week, attendance is currently at 95.5%. As parents will be aware from the media, there is a huge emphasis on improving school attendance. We have been visited by the Attendance and Wellbeing service who monitor our attendance levels. We have been instructed to ask for medical evidence if a child is absent from school whose attendance levels is cause for concern. Without medical evidence from your doctor or the hospital your child will be given an unauthorised mark. Please make every effort to ensure that your child is in school unless they are genuinely ill and unable to attend school. Please help us achieve our target of 95.7% at all times.

Seren yr Wythnos

PTA Easter Bingo Thursday April 11th 4.30pm

We would be very grateful for any donations of Easter eggs for the above event to give as prizes.

Food and refreshments will be on sale on the night.

We hope you can all come as this is a lovely chance for everyone to get together and make the night a great success.

Homework is sent home with our pupils every week.

Class 1 have a topic based theme.

Class 2 and Class 3 have been given homework folders.

Homework is given out every Friday and must be returned every Wednesday (for class 2 and 3).

Bethel Chapel Friday 12th April

You are all invited to join us at Bethel Chapel at 10am for our Easter service.

It's time for the children to wear their Easter bonnets/hats for the Easter parade around the chapel.

Parents Evening

When you attend parents evening, please take a couple of minutes to look at the children's work that they completed for St David's Day which is on display in the school library.

NATIONAL TESTS MAY 7th TO MAY 14th YEARS 2—6

From May 7th to May 14th 2019 children from Year 2 – Year 6 will be sitting National Tests in Reading and Numeracy (Procedural and Reasoning).

For the first time this year the procedural test will be completed online, with reading being phased in next year and reasoning the year after (2020/2021). The purpose of the assessments is to help learners progress, through understanding what they can do, the things they need to work on, and their next steps. These new ‘personalised assessments’ are based on the skills set out in the National Literacy and Numeracy Framework (LNF)

By moving online, advantage is being taken of the latest technology to provide a personalised assessment experience that adjusts the level of challenge for each learner. In personalised or ‘adaptive’ assessments the questions are generated based on the learner’s response to the previous question. A learner who answers a question correctly will receive a question that is slightly more challenging; a learner who answers a question incorrectly will receive a slightly easier question. This process continues until the assessment system has covered the relevant aspects of the curriculum and gathered sufficient information on the learner’s responses. This provides an individual assessment experience and tailors the level of challenge for every learner.

Before taking a personalised assessment, the children will have the opportunity to try a familiarisation assessment.

The assessments are accessed through Hwb, the Welsh Government’s learning platform through the pupils’ Hwb log-in using computers, laptops and/or iPads.

Parents/carers will receive copies of the feedback on individual learners after the assessments have been taken.

If you have any queries please do not hesitate to contact the school.
