

The feedback from our on-line summer assessments is now available on-line. You will be able to access the information using your child's Hwb Username and Password. Your child should know their username and password, however if you require this information please contact your class teacher or Mr. Mathieson who is our Digital Champion.

The information can be accessed on a smartphone or a computer.

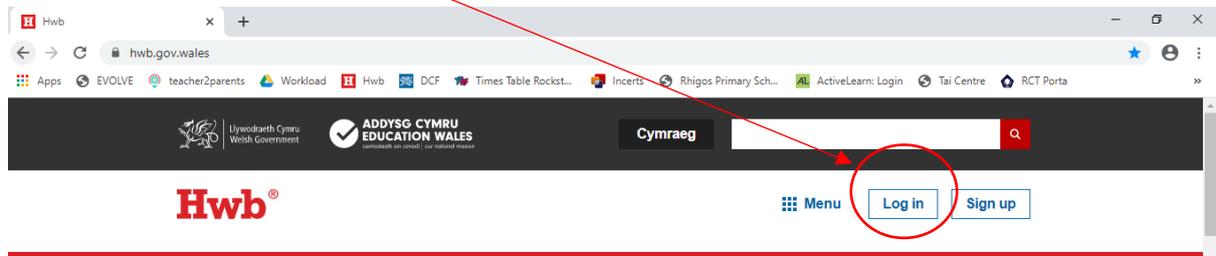

To access the information please firstly:

Open either Google Chrome, Microsoft Internet Explorer, Microsoft edge or Safari and type in:

<https://Hwb.gov.wales>

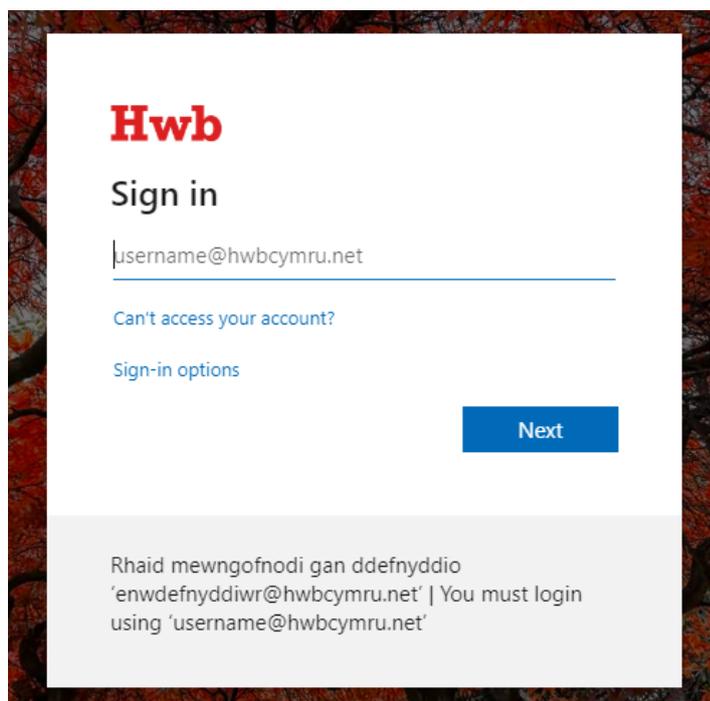

Next click on Log In

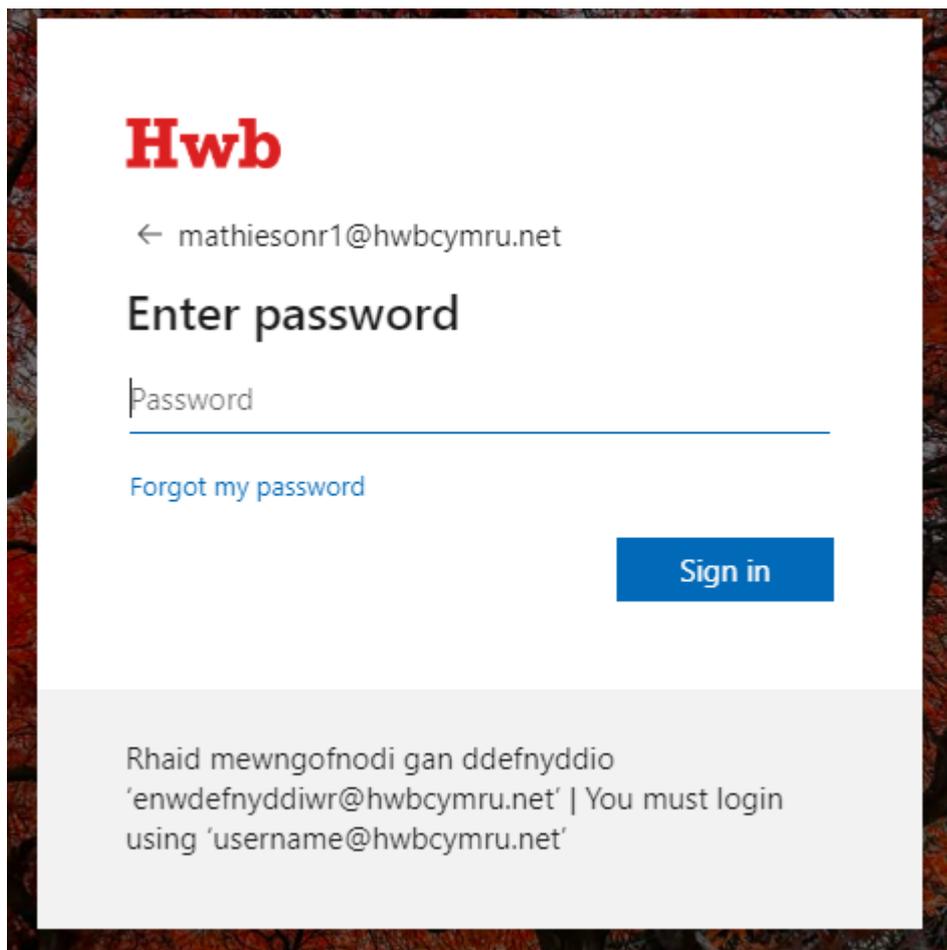

After that type in their username:

Their username is their surname, 1<sup>st</sup> initial and maybe some letters i.e. followed by @hwbcymru.net

**Mathiesonr78**@hwbcymru.net

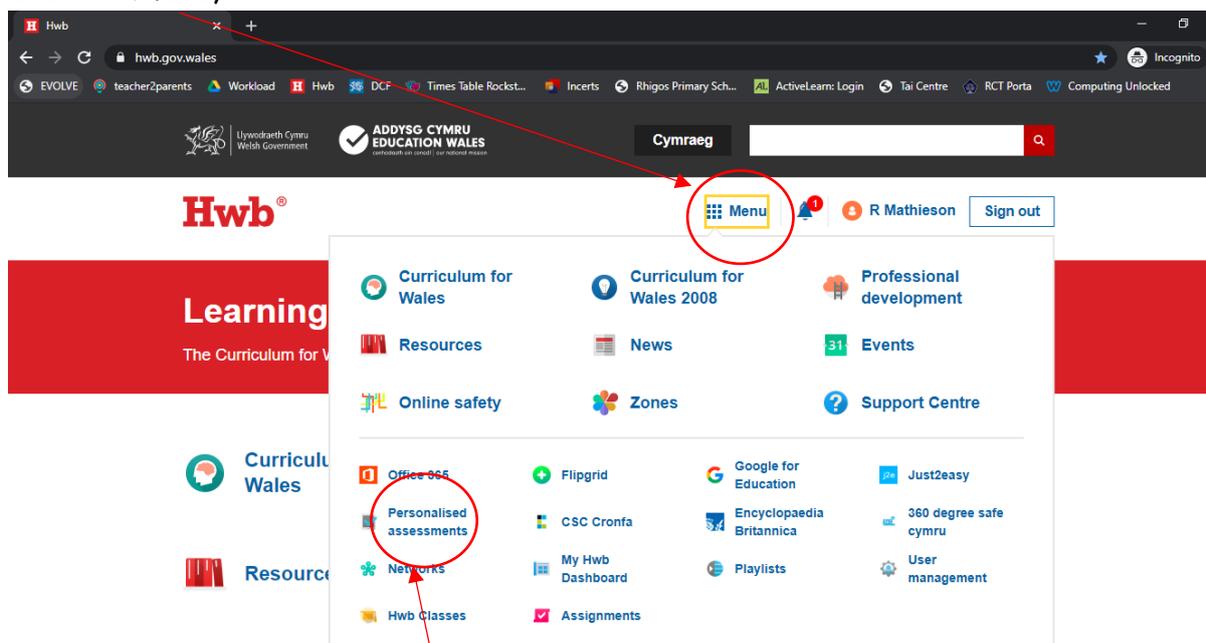

Then type in their password, this will either be 4 or 8 characters long

You will now be signed in:

Click on Menu,

Then click on Personalised Assessments

You will now enter your child's Personalised Learning Area. Click on learner Feedback.

This feedback is based on the assessment taken on 18/06/2019.

**The hardest questions I got right were on these skills:**

- reading and interpreting scales on measuring instruments
- understanding and using non-unit fractions such as  $\frac{2}{3}$
- interpreting information presented in bar charts or bar line graphs (scale in 2s, 5s or 10s)
- solving problems using simple fractions
