Thank you for your support in these challenging times. We aim to keep you up to date with the latest guidance as soon as we receive it. If you have any queries please do not hesitate to contact us at school.

What to do if your child develops symptoms

Please be aware of possible symptoms of coronavirus during this period. The most common symptoms of coronavirus (COVID-19) are recent onset of:

new persistent/continuous cough; and/or
loss or change in sense of taste or smell.

If anyone in your household develops any of these symptoms, however mild, they need to stay at home and must follow the guidance:

Staying at home as much as possible.

Staying safe outside your home, including by maintaining social distancing (at least 2 metres) when near people who are not your household members
