Update from RCT/WG Update from RCT/WG

Advice from the Welsh Government request is for people (including children) to get a test **if they are feeling unwell in any way**. Please see table below:

Symptoms	Take a test	Isolation Advice	Result of Test
Classic 3 symptoms: Fever (greater than 37.8 C) New persistent /continuous cough Change in taste /smell	Yes	<i>Households must isolate if anyone develops any of the three classic Covid-19 symptoms while waiting for a test</i>	If positive, they and household must isolate
Feeling unwell in any way. <u>Wider symptoms:</u> Tiredness; muscle ache; sore throat; runny nose; vomiting; diarrhoea; headache	Yes	<i>Individuals and their households who take a test because of these other wider symptoms are not required to isolate while they await their test result. This includes learners, who can continue to attend their school or setting while they await a test result.</i>	<i>If individuals then receive a positive Covid-19 result, they and their household must then isolate.</i>
Diarrhoea and/or vomiting	Yes	<i>Clearly, children and adults with diarrhoea and/or vomiting should not attend their school/setting until they are symptom-free for 48 hours, even if their Covid-19 test result is negative.</i>	If positive, they and household must isolate

Further detail on how to apply for a test is provided at <https://gov.wales/apply-coronavirus-covid-19-test> or simply call the free number 119 between the hours of 7am to 11pm.

As you can see we have a new celebration certificate. This is the 'Certificate of Achievement' for their work on online learning. As a school we are encouraging all pupils to have a go at 'remote learning' as this will prepare our children should we ever experience another lockdown. Please encourage your child to complete their online tasks.

If you have any queries or require your child's passwords and log on details please contact the school and we will do our best to help. This week certificates go to -

Well done!!

Holidays in term time

Can I remind everyone that holidays will only be authorised if your child's attendance for the 12 months prior to the holiday application is over 95% and stays above 95% to the date of travel

Absence messages

When your child is absent from school a message should be left on the school phone informing us of the illness.

Unfortunately saying "unwell" is not acceptable by the Attendance and Wellbeing Service, so we ask for your support in that a more detailed explanation is given.

As we continually update our records please could you inform us of any **NEW** allergies that your child may have

Pupil contact details

Please can you notify the school of any change of address or contact details as soon as any changes are made for your child.

Health & Safety

When leaving the school grounds please could you hold your child's hand when entering Heol Y Graig to ensure that your child remains safe and cannot run onto the busy road.

Heol Y Graig gets very busy and we ask that parents and families do not park on the pavements or opposite the zig-zag lines outside the school entrances.
