Holidays in term time

Can I remind everyone that holidays will only be authorised if your child's attendance for the 12 months prior to the holiday application is over 95% and stays above 95% to the date of travel.

Absence messages

When your child is absent from school a message should be left on the school phone informing us of the illness.

Unfortunately saying "unwell" is not acceptable by the Attendance and Wellbeing Service, so we ask for your support in that a more detailed explanation is given.

If your child has any appointments please provide us with the official letter for our records.

Road Safety

In the interest of safety for all our children please do not park on the yellow lines in front of the school and from parking on the pavement opposite the entrance of the school. With the darker mornings and poor visibility during bad weather crossing the road becomes very hazardous when the traffic is increased at the start and the end of the school day.

As we continually update our records please could you inform us of any **NEW** allergies that your child may have.

Pupil contact details

Please can you notify the school of any change of address or contact details as soon as any changes are made for your child.

Please could children bring their reading books every day to school.

Swimming for years 3,4,5,6 starts on Wednesday 2nd February. Children will need a packed lunch as they will return after lunch has been served.

TO MAKE YOU SMILE!!

Why did the suitcase go up the stairs?

Because it wanted to be a staircase!!

Maggie

Year 2 will have PE on a Wednesday from next week while year 3 are swimming.

For the remainder of this term, week 2 lunchtime menu will slightly change. Tuesday's menu will be served on Wednesday and Wednesday's menu will be served on Tuesday.

We have been requested to share the following message from the **Communities For Work Plus, Cynon Delivery Area**

We hope everyone is keeping well in the current situation and staying safe, I was just wondering if there was any possibility that the message below could be sent out to parents of the children that are at your school. It's just to let them know that CFW+ are still around to support people back in to employment. As most of us are aware that this has been a very challenging time for so many and unemployment is on the increase. If the message below could be sent via your text message service that would be great. Thank you again for the support.

Employment support is currently available. If you need help looking for work, completing an application form, finding training courses or creating a CV, we have mentors and work club staff here to help you Contact us on 01443 420962 or email: cfwcynon@rctcbc.gov.uk
