**Friday 18th March** - Red Nose Day

**Week beginning Monday 28th March** - Parents telephone consultations

**Friday 8th April** - end of term

### Holidays in term time

Can I remind everyone that holidays will only be authorised if your child's attendance for the 12 months prior to the holiday application is over 95% and stays above 95% to the date of travel.

### Absence messages

When your child is absent from school a message should be left on the school phone informing us of the illness.

Unfortunately saying "unwell" is not acceptable by the Attendance and Wellbeing Service, so we ask for your support in that a more detailed explanation is given.

If your child has any appointments please provide us with the official letter for our records.

### Road Safety

In the interest of safety for all our children please do not park on the yellow lines in front of the school and from parking on the pavement opposite the entrance of the school. With the darker mornings and poor visibility during bad weather crossing the road becomes very hazardous when the traffic is increased at the start and the end of the school day.

As we continually update our records please could you inform us of any **NEW** allergies that your child may have.

### Pupil contact details

Please can you notify the school of any change of address or contact details as soon as any changes are made for your child.

Please could children bring their reading books every day to school.
