Seren yr Wythnos

Class 1- Layla for beautiful writing about herself.

Class 2- Kami for trying extremely hard with her work all week and for being a sensible member of our class.

Class 3- Riley for superb answers yn cymraeg.

Head teacher's Award -

Gracie-Leigh - for being so polite in class and for her beautiful manners in school.

This week's school attendance is

89.9%

We have regular visits from the AWS (Attendance and Welfare Service) who monitor school attendance to identify any absences that cause concern.

Frequent absences will have a serious effect on your child's progress. If a child misses one day a week, over their whole school career, it will mean that they will miss over two years education. This is very likely to mean they will not fulfil their academic potential.

Please do not hesitate to contact me on 01685 811253 if you are having any difficulties regarding attendance, as the school will be happy to offer you support in this matter.

## LATEST GUIDANCE FROM WELSH GOVERNMENT

### Children and young people aged 18 and under who have symptoms of a respiratory infection, including COVID-19

Respiratory infections are common in children, particularly during the winter months.

For most children and young people, these illnesses will not be serious. Very few become seriously unwell. This is also true for children and young people with long-term conditions. However, some children under 2 can become more seriously unwell from a [respiratory condition called RSV](#). This includes those born prematurely or with a heart condition.

Attending education is important for children and young people's development, health and well-being. The long-term impact of missing education should not be underestimated.

Children and young people with mild symptoms can continue to attend their education setting. Mild symptoms include a runny nose, sore throat, or slight cough, in children who are otherwise well.

They should be encouraged to cover their mouth and nose with a disposable tissue when coughing and/or sneezing. They should wash their hands after using or disposing of tissues.

Children and young people who are unwell and have a high temperature should stay at home. They should avoid contact with other people where they can. They can go back to their setting when they no longer have a high temperature and are well enough to attend.

It can be difficult to know when to seek help if your child is unwell. If you are worried about your child, especially if they are aged under 2 years old, then you should seek medical help.

### MACMILLAN

As we have an INSET day on Friday, September 30<sup>th</sup> 2022 we would like to recognise the important service that is carried out by this charity. So on Thursday, September 29<sup>th</sup> 2022 the children will have the opportunity of having a cake and a drink and we ask for a voluntary money contribution.

All donations will go to the Macmillan charity.

### HARVEST

As is tradition in Rhigos Primary we kindly ask for donations of food such as vegetables, fruit, tins, packets. The donations will be offered to the elderly residents of Rhigos. If you would like to donate please could we ask for all donations to be brought to school on Wednesday, October 5<sup>th</sup> 2022.

If you have any queries please do not hesitate to contact the school.

### Class 3 Assembly

Class 3 would like to invite their families and friends to their class assembly on Thursday October 6<sup>th</sup> 2022 at 9.30 am in the school hall. We look forward to seeing you.

### News from Rhigos Newyddion ar y Rhigos

Our roving reporter interviewed our pupils to find out what makes Rhigos so special.

Khloe, Ellis, Milly, Mollie and Jac thought of things that you could do in school but not outside. You can play football, netball, use the scooter boards and play tennis.

Lwsi said that her favourite thing about Rhigos is that it has lots of kind and caring people.

Pupils in Class 1, Aspen likes the bikes, Sophia likes the art corner so that she can make things and Layla and Olivia C like the teachers.

### Rhigos Primary Playgroup

## Residential trip June 2023

A residential trip to Llangrannog has provisionally been booked for  
Monday June 5 - June 7<sup>th</sup> 2023. This will be for years 4/5/6.

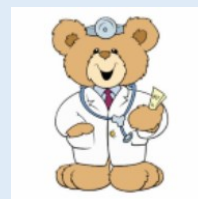

### Holidays in term time

Can I remind everyone that holidays will only be authorised if your child's attendance for the 12 months prior to the holiday application is over 95% and stays above 95% to the date of travel.

### Absence messages

Following a monitoring meeting with RCT's Attendance and Wellbeing Service, if your child is unwell medical evidence is required otherwise the absence will be recorded as unauthorised.

### Road Safety

In the interest of safety for all our children please do not park on the yellow lines in front of the school and from parking on the pavement opposite the entrance of the school. With poor visibility during bad weather crossing the road becomes very hazardous when the traffic is increased at the start and the end of the school day.

As we continually update our records please could you inform us of any NEW allergies that your child may have.

### Pupil contact details

Please can you notify the school of any change of home address, email address or contact details as soon as any changes are made for your child.
