This week's school attendance is

86.92 % (target 93.5%)

We have regular visits from the AWS (Attendance and Welfare Service) who monitor school attendance to identify any absences that cause concern.

Frequent absences will have a serious effect on your child's progress. If a child misses one day a week, over their whole school career, it will mean that they will miss over two years education. This is very likely to mean they will not fulfil their academic potential.

Please do not hesitate to contact me on **01685 811253** if you are having any difficulties regarding attendance, as the school will be happy to offer you sup-

Absence messages

Following a monitoring meeting with RCT's Attendance and Wellbeing Service, if your child is unwell medical evidence is required otherwise the absence will be recorded as unauthorised.

Road Safety

In the interest of safety for all our children please do not park on the yellow lines in front of the school and from parking on the pavement opposite the entrance of the school. With poor visibility during bad weather crossing the road becomes very hazardous when the traffic is increased at the start and the end of the school day.

As we continually update our records please could you inform us of any **NEW** allergies that your child may have.

With the warmer weather coming please ensure that your child is wearing sun cream to school. Your child may bring sun cream to school. Please put your child's name on it.
