Thank you to all our staff and Mr Morris for their hard work for putting on such a special event for our children.

A new curriculum has been developed for schools in Wales and will be used throughout Wales by September 2022.

As part of this new curriculum, would like to create a new motto/vision for our school that truly reflects our children and community.

We would appreciate you and your children's views.

Your child has come home with a letter and if you can take some time over the half term to put some ideas down on paper and return them to school it would be appreciated, or you can email your ideas. admin@rhigosprimary.rctcbc.cymru

We will then have a vote on what will be our new school motto going forward.

Some mottos can be made up of the letters of our school i.e. R H I G O S

Or R P S (Rhigos Primary School)

Others are aspirational such as:

Live, Learn, Love

Believing, Achieving, Succeeding,

Every Child, Every Chance, Every Day

Education for All

Where Every Child is a star

Always be the best you can be

Giving our children the roots to grow and the wings to fly

Please return your ideas to school by Friday, June 10th 2022. We look forward to receiving them.

Best Breakfast Club in Wales Kellogg's Award

We have set a date for Friday, June 10th 2022

Rhigos Primary Playgroup

Playgroup is held every Wednesday morning 9.15 to 10.30

This week the children enjoyed hand painting, singing time and general play.

Next week is messy play.

Holidays in term time

Can I remind everyone that holidays will only be authorised if your child's attendance for the 12 months prior to the holiday application is over 95% and stays above 95% to the date of travel.

Absence messages

When your child is absent from school a message should be left on the school phone informing us of the illness.

Unfortunately saying "unwell" is not acceptable by the Attendance and Wellbeing Service, so we ask for your support in that a more detailed explanation is given.

If your child has any appointments please provide us with the official letter for our records.

Road Safety

In the interest of safety for all our children please do not park on the yellow lines in front of the school and from parking on the pavement opposite the entrance of the school. With poor visibility during bad weather crossing the road becomes very hazardous when the traffic is increased at the start and the end of the school day.

As we continually update our records please could you inform us of any **NEW** allergies that your child may have.

Pupil contact details

Please can you notify the school of any change of address or contact details as soon as any changes are made for your child.

Please could children bring their reading books every day to school.
